Air Force*

Air Force Automated Education Management System (AFAEMS)

- **Academic Institution (AI) Portal**
 - College use only
- **Student Air Force Virtual Education Center (AFVEC)**
 - Service member applies for funding
 - Service member uploads degree goal
 - Service member access to education record

ACADEMIC INSTITUTION (AI) PORTAL

- Requests for initial AI Portal access should be sent to BAMTECH at aiportal@bamtech.net
- Colleges can get access under the following areas:
 - General Question
 - Grades
 - Degree Completions
 - Invoicing
 - Policy Director
 - Degree Programs
- Can be the same or different people under each area. These are the people we will direct students to contact so it's important to keep the contact list up to date

ACADEMIC INSTITUTION (AI) PORTAL

- **Students apply for TA funding through AFAEMS, select college and complete the request**

Errors are often made when they have to “manually” complete the form
Most errors can be avoided if the college pre-loads information for the student to choose from

- **What colleges can do in AI Portal to ensure more accurate tuition assistance (TA) requests**

- Preload all degree plans
- Preload all courses
- Preload Military cost per credit
- Preload semester/term dates
- Print approved TA funding request forms

Your efforts will reduce the number of corrections during invoicing and posting grades

ACADEMIC INSTITUTION (AI) PORTAL SUBMITTING GRADES

Must have “Grade Technician” permissions

Grades cannot be entered until the end date on the TA document

From the dashboard, select “Online Services”, “Grades”, “submit”

Select applicable funding program – most will be AF-Military TA

Select applicable type – Missing, Overdue, or Incomplete

Submit grades individually

Select “Online Form”, update Grade, and “Submit”

Grades must be entered within 60 days of course/term end date on TA document

Grades not in by the 60 day point cause a reimbursement action on the student

ACADEMIC INSTITUTION (AI) PORTAL SUBMITTING AND INVOICE FOR PAYMENT

Must have Invoice Technician as a permission and at least one person must be identified as the Invoicing POC in the Directory

On the home screen click “Courses Available” in the Action Required section

From the dashboard, select “Online Services”, under “Invoicing” click “Submit”
Choose the system – See note below for different funding program options

For Air Force Invoices

Choose the applicable pay center

On the Dashboard click on School and scroll down to Pay Centers

Click on the Pay Center Name

Scroll down to the bottom of the page and make sure there is a check in the box to the right of the campus name

Click “Save”

Choose applicable Funding Program – look at the top line of the TA document

TUITION ASSISTANCE

- **Service member must have a degree program identified in their record**
 - Degree goal can be changed twice in the service member's lifetime
 - Degree plan must list every course needed to complete the degree
 - Degree plan must be evaluated showing all transcripts considered for credit, including CCAF
 - Non-evaluated degree plans limit TA funding to two classes
- **TA funding covers tuition only. No fees or books are paid with TA funding.**
- **TA form dates and cost must be correct so schools can invoice the AF; responsibility of student**
 - If the college finds an error during billing, let the AF central billing office know
- **TA Funding request must be completed by service member at least 7 days prior to course start date**
 - Late and after-the-fact TA funding requests are not allowed
